

HIGHLIGHTS OF 1994

Youngy  
 For his efforts (spewing) on the bus on the way home from Tom Price.

Choppy  
 His "friendly" chat with Ray Glasson using his fist - and then getting let off.

Youngy & Rocket  
 Their courageous comebacks from being knocked out and surviving the last few games.

JP  
 For his kind words to Lynchy. He must hate you JP!

Keyser  
 13 goals against Dampier in round one.

Mitch  
 Still kicking on at 37 (I think) and playing top footy. Just ask Henry Papertalk after Mitch's bump in the preliminary final.

Mrs Macca  
 Running the canteen.

Bindoon  
 The sound of his hammy tearing sent the black fellows running out at Wickham.

Pud  
 The golden haircut which looks like the colour of your piss after drinking OJ.

Casey  
 His black eye. He should have been at footy training instead of the pub in the first place.

Toball  
 Why did he get that haircut? We think we know!

Cal  
 The boy who got a cork that wouldn't go away. Next time you might like to listen to others Cal.

JR, Gritto & Bongo  
 Fenacing weekend was terrific, pity the footy the day after wasn't as good.

Kiwi  
 I notice that Bongo did score a vote from the umpires in this game. Maybe he was proud of the colour of your eyes, or felt sorry for you Bongo!

011ie  
 Still finding it difficult to get up in time to catch the bus to Hedland.

Biscuits  
 Not missing a training session. 89 in total, well done.

Macca (Splitter)  
 "I'm too tough (or stupid) to wear a mouthguard."  
 "Well maybe I might change my mind now" - after receiving a chipped tooth.

Bongo  
 His 2 games in the reserves were inspirational.  
 His slam dunk of Don (Hillman) at the Roebourne Races cost him a place in the league side for the finals after injuring himself. A torn stomach muscle.

Patto (W)  
 Added 2 more young ones to the clan. Congratulations Patto.

Pud & Starry  
 Winner and runner up in the Reserves NPFL medal. Well done guys.

Moose  
 Not turning up on time for the Dampier game in round two. If I remember right, this happened exactly two years ago. Don't you like that ground Moose?

Browney  
 Knocking himself out on the training track and making the guys walk the last lap of training.

011ie  
 Missing the ball in the golf competition and having to scull a can of beer. Then being stupid enough to miss it again and having to scull two cans.

Karen  
 For her time and effort strapping.

Committee  
 For all the work they put in, functions they organised and general success the club had in 1994.

Jonesy  
 Playing his last game for the club in the grand final. We may be able to get one more year out of him yet!

Ty & Charlie  
 I know they are both quick - maybe that's why I missed them on the training track.

Aids  
 Spewing on the bus on the way back from Hedland last week after the grand final, then charging into Macca (Splitter) head first.

Tasha  
 Knocking herself out on the bus then hyperventilating - too much alcohol for a young girl.

Cal  
 Bus surfing on the way to the disco on the top of the bus.

Moose  
 Hitched back from South Hedland after getting on the piss with the boys from the Swans.

Whicko  
 Spewing in the toilet and sleeping in it at home.

Choppy & Sarge  
 Grabbing everyone's nuts on the bus trip back from Hedland.

Wayne's World  
 The photos tell a better picture of this little number. You are lucky Raffs saved your bacon.

Falcon's Footy Club  
 Singing the Falcon's song at the Kat's club rooms in round one and round two at the Rec Club after beating the Kats!

Sadie (Sarge)  
 Unfortunately the roles were reversed in round three. "The Cleaning Lady". Until he got a real job.

COACH'S REPORT - RESERVES

Well fellas - great effort this season to get in the grand final, we may not have won it, but we will learn from the experience.

To the young colts guys - Gerard Hicks, Rocky and Brett Osbourne - thanks for your dedication at training and games. See you next year, we might have 20 to 30 players fighting for a position on the field each week, but these guys have a fulltime position every game.

Team Manager - Wayne's World and Strapper - Karen Davy. WELL DONE!

Lastly, congratulations to the Mathieson Medal winner, our captain Shane Davy.

Great season guys.

Thanks.
