THE FALCONS

FOOTBALLER

THE PRESIDENTS REPORT

Welcome to the July newsletter. The past month has certainly been a busy and productive one, with successes on and off the field.

We have certainly given all the top teams a fair shake in the past month and success will come to us if we continue to play with the endeavour and commitment that is currently evident, but more importantly we must believe in ourselves and reestablish our belief that we can and will win. I would also like to extend a welcome to the new faces in the club, Nathan Matthews and Michael Stanley and to Bairstow, JP, Brownie, Biscuits and Choppy on their return, your presence has certainly been appreciated.

I would also like to wish all players injured in the past weeks a speedy recovery, especially our League Captain Mal Dawson who looks like being out for the rest of the year with a fractured finger.

Off the field we have been offered the rights to host Crackers Keenan and Merv Hughes at the Tambrey Centre on July 15. With the assistance of our Sponsor Swan Brewery, Peter Matera and Jay Burton will also be present. Peter and Jay will be training with the team on Monday night prior to the function. If you haven't secured your ticket, I would advise that you do so as they are going fast.

In closing I would like to extend my thanks to the Committee members for their help and support throughout the last month.

Mal George - PRESIDENT

COACHES COMMENTS

Well, Hello to everyone.

We're now two thirds of the way through the season with only one round of football to go and if the last couple of weeks is anything to go by the last round is going to be a very productive one, for the players and the club in general.

Our last game against Dampier saw us win by 16 goals, the following week we went down by 2 goals against Wickham and last week, unfortunately, we lost by 3 goals to the Kats.

While we had our chances against Wickham and Kats I take nothing away from the

players performances, I just find that we have not got the desire to find that winning feeling at the moment.

Our off field attendance at social functions has been somewhat disappointing. This may be one of the things that is affecting our on field performance. There is no better way to get team spirit flowing than having a few drinks with your team mates. So boys don't forget the Sportspersons function on the 15 July. Bring a friend and lets make it one of the best functions the Falcons Football Club has ever had.

I know we as players had a very slow start to the season, however, there has been a rapid improvement during the second round and in the third round we the players will reward the spectators, supporters, trainers and
