President's Report

By Clayton McIntosh

A replay of last year's second semi final FALCONS Vs KATS - Derby Day.

Great to see the League and Reserves win both games last week against the Swans, on the dreaded road trip to Hedland. Two hard fought wins- with some very good insights into role players being added into the mix, as taggers and specific players being used for targeted roles. It is great to see the mental toughness starting to come out in our sides. This puts us in a good position to finish the first round in the top two spots for both grades. With a 3-1 record, tonight's game will be very interesting as winning could cement us in a very positive position.

The home crowds have been fantastic, with so many supporters coming out and cheering on their home team, the Karratha Falcons, with about 1200 down at the home games at Bulgarra oval. These derbies are great for the crowd - it's like the Bulgarians Vs Nickolites, of days gone by (before my time)!

Tonight's game will be there for the taking, and will be more of a "who wants it most" attitude. Players will have to come with their game face on and ready to make any sacrifice needed for the success of their team.

Traditionally, Falcons vs Kats has been a very hard fought game with both teams not leaving anything on the field at the final buzzer, this again will be true, there is no room for lack of heart tonight as one missed step could see the ball turned over and down the other end for a major.

To Polly and Makka, best of luck and keep the boys mentally tuned.

The Canteen will be open from 4:30pm until late, while the Beer tent will again be rocking into the

night...We need as many Falcons supporters as possible showing up with loads of cheering voices from the first bounce, Congratulations to Milo Snr for playing his 150th game and we will celebrate when he returns from holidays.

A number of girls have asked about merchandise (tops). They are available from the Beer tent during the game. We will also start our \$100.00 club tonight so if you're feeling lucky....pick a number or at least save your favorite one.....

Remember to hang around after the game for a drink and to get to know your Clubs' players, every one is welcome.

Remember your players membership should be paid by now, anyone not being able to pay, please speak to myself or one of the coaches.

Get down to trainings Monday, Tuesday or Thursday nights, Thursday night being our team selections and sausage sizzle night, thanks to Diesel, Joe Fricky and Brad.

Hang around, Grab a beer, talk about old times or get to know the newer players of the club, either way, become involved with the Falcons and enjoy your footy.....

What a big night of Footy it will be.....

League Coach's Report

By Chris Ryan

Welcome back Members, Sponsors and Supporters, to Bulgarra Oval for what should be a fairly even contest.
